13th September 2024

St. Martin's
C. of E. Primary School

Dear Parents, Carers and Friends,

It has been wonderful to welcome our children back to school this term and our new Reception children too. There have been many smiley faces, alongside some nerves, which of course is natural at the start of a school year. It is always a big step to move class, so please mention to your class teacher if your child is still experiencing some of those nerves so that we can check in with them and put some support in place.

Parking

As always, I would like to remind everyone that we are very conscious of the traffic outside of school for when our pupils are arriving and leaving. I urge you to all consider this in your leaving times from home so that you have time to park away from school and walk the short distance up to school. It is the safest way for all our community and the children. Thank you.

Internet

Thank goodness- the internet is up and running again! You don't realise how much of a necessity it is nowadays until it is gone! The teachers will share information for their classes on Dojo, but just a reminder that it is hard for teachers/ office staff to check Dojo messages during working hours, so please communicate directly with the class teacher at drop off and pick up times. With the office, please contact them by the phone (01723 360239) or email at admin@st-martins.n-yorks.sch.uk. Thank you!

Upcoming dates:
