Dear Parents, Carers and Friends,

Walk to School Week

Thank you so much for supporting our Walk to School week initiative. We really appreciate the effort you have put into walking despite the weather. It really is such a short distance from Holbeck Car Park up to school, so please continue to do this every day. Not only does it promote physical activity and encourage conversations as you walk to school, it also means that our entrance to school is much safer for our pupils, which is so important to me.

There were 10 prizes given out in assembly this morning and we will post a photo on Class dojo later of some of the winners.

Thank you again everyone.

Warmer weather

Just a little reminder for next half term to make sure that your child's uniform **is named** in case they take their jumper off or bring a sunhat/ cap. We also advise applying suncream in the morning before coming to school.

Outstanding Dinner Money

Just a little message to please ensure any dinner monies from last term (or before) are paid before the beginning of next term please. Thank you.
