

Dear Parents, Carers and Friends,

Parking

As always, I am putting a reminder on about parking outside of school. There have been people parking outside of the school on the double yellow lines around the round about- even with our carefully placed police cones! Please, please, please do not park on this roundabout. It causes a road block for other cars that are trying to pass and move away from school. Even with disability badges, you are not able to park at the gate entrances of school due to the safety of the children.

Please pass this message onto grandparents too that might be collecting your child.

Our children have the right to be able to leave school in a calm and safe way. As adults it is important for you to model safety too.

Toy Swap

You may have seen a poster on Dojo of the upcoming toy swap event that is being organised by FOSMs. It has been sent out with this email too as a reminder for the event. Thank you Team FOSMs for your hard work in setting up this event.

Attendance

Target attendance %	Current attendance %	National attendance
95.5%	94.5%	94.4%

It has been fantastic to see our attendance rate rise over the past few months. Well done everyone. This is so positive to see and we are all so pleased in school. Brilliant! Keep it up everyone. It will be having such a positive impact on progress.

Sporting success

A huge well done to our athletics group that represented our school in an inter-school competition this week. They went on to win the whole event which is fantastic!

Well done also to our table tennis stars who have taken part in some primary school matches this week, coming out as overall winners too! Amazing.

A big thank you to Mrs Rutt, for all her time and energy that she puts into these events.

The weekend is here! Have a super one.

Warm wishes and God bless,

Mrs Barber

Headteacher
