2nd February 2024

St. Martin's
C. of E. Primary School

Dear Parents, Carers and Friends,

Driving outside school

I have been notified this morning by a parent of a big 4x4 car mounting the pavement outside school while children were walking into school.

It is imperative that you drive safely outside our school. I am aware that this could have been a parent/ carer at Wheatcroft dropping off and they will be reminding parents too.

Please do not park outside school to drop your children off. Please park down at Holbeck Hill car park or with the on-street parking available further down and take the short walk up to school. This is incredibly important to us. Please do this for our children.

Toy Swap

Just a reminder that it is the FOSMs Toy Swap event on Wednesday 7th February. Children can bring in an age appropriate toy that is in good condition if they would like to take part and £1. For the donation, they are able to take part and choose another toy.

Thank you FOSMs team.

Attendance

Target attendance %	Current attendance %	National attendance
95.5%	93.8%	93.5%

Sporting Success

Well done to our fantastic cricket team. They had an event to get ready for a competition next week. Keep up the great work!

Half Term

We break up for half term next week on Friday 9th February. The children will return again on Monday 19th February.

Have a lovely weekend everyone.

Warm wishes and blessings,

Mrs Barber

Headteacher
